

By Order entered on August 31, 2018 (Doc. 13), Plaintiff's Motion for Extension of Deadlines for Expert Reports (Doc. 12) was allowed, and the parties' deadlines for service of expert reports were enlarged.

Having reviewed the Court's docket, the instant Motion, and the Response, the Court will allow the requested extensions. However, in light of these extensions, and the trial date of August 5, 2019, the parties are advised that any further requests for extension, including requests that response and reply deadlines associated with the briefing of any dispositive motions be enlarged, will not be allowed absent extraordinary circumstances.

**IT IS THEREFORE ORDERED THAT:**

1. Defendants' Motion to Amend Pretrial Order and Case Management Plan (Doc. 25) is hereby **GRANTED**;
2. The Pretrial Order and Case Management Plan (Doc. 10) is **AMENDED** as follows:
  - a. Discovery shall be completed on or before **March 31, 2019**, and
  - b. Dispositive motions shall be filed on or before **April 30, 2019**; and
3. Except as amended, the Pretrial Order and Case Management Plan (Doc. 10) remains in full force and effect.
